Bistol EV day

Join us for the first-ever Earth Day EV Expo event in Bristol, Virginia, on **April 19th from 1:00 to 5:00 p.m.** This fun-filled, free event will take place at the City parking lot at the corner of Martin Luther King Jr. Boulevard and Cumberland Street. Virginia Clean Cities is partnering with the City of Bristol, WCYB-TV and East Tennessee Clean Fuels to showcase electric vehicles, provide Ride and Drive opportunities, and answer all your questions about driving and charging electric vehicles.

Op-ed: Rolling Back NEVI Hurts Jobs

Virginians deserve market certainty – rolling back popular programs like the National Electric Vehicle Infrastructure (NEVI) Program doesn't do that. When programs like NEVI are established, they create reliable pathways for job growth and economic security. Abruptly ending them disrupts lives, businesses, and long-term investment strategies.
