Virginia Advanced Air Mobility Award Announced

Virginia Clean Cities congratulates local aviation company Electra, along with state partners, for winning a Department of Transportation Advanced Air Mobility award.

This inaugural Electric Vertical Takeoff and Landing and Advanced Air Mobility Integration Pilot Program (eIPPP) was a competitive program and we are glad a local company was selected.

Fundraising at the Great Community Give

This year on April 22nd, Virginia Clean Cities is participating in the Great Community Give: a celebration and fundraiser for local impact in the Harrisonburg-Rockingham area.

We will announce more about this campaign in the coming days; know that donating to VCC can make you eligible for small-donor tax deductions.

We appreciate your support!
